Reference Letter – Air Goes cc

To whom it may concern:

I am writing to recommend the services of Air Goes cc. XON has been using Air Goes cc as a contractor on the Eskom UPS project Roll out and Infrastructure refreshment. XON has always been completely satisfied.

I enjoyed working with Air Goes and I am happy to be able to provide this recommendation. I have great respect for Desiree Schutte as an individual and as a professional and I am confident that Air Goes will continue to exhibit positive performance in the industry.

Please feel free to contact me if you have any additional questions. You may reach me at 082-850 6422 or christina@xon.co.za
